Android TV Setup Guide

Gibson Connect TV App Download

Thank you for choosing Gibson Connect TV! This guide will help you to download and log into Gibson Connect TV using an Android device. Other platforms or devices may require a different process.

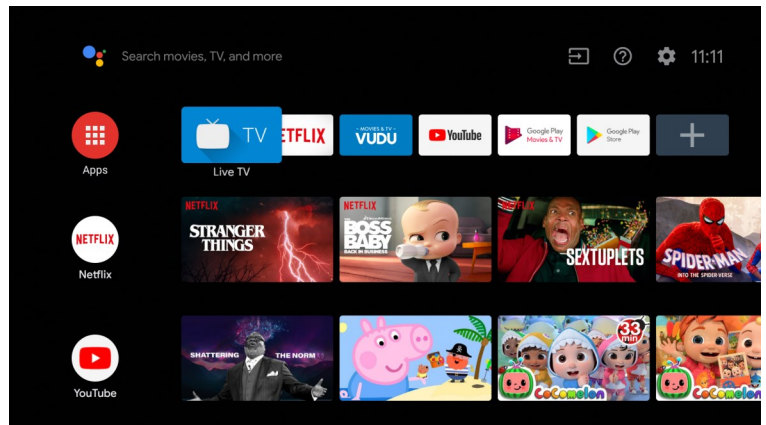

Before attempting to download Gibson Connect TV, you must first have an active and installed Gibson Connect internet service subscription. You can subscribe to Gibson Connect’s TV service by contacting us at 731-562-6000 or by calling or visiting your local Gibson Electric Membership Corporation Member Service Center.

A Gibson Connect representative will provide or help you obtain your login name and password.
