Gibson Connect TV

From Those You Know and Trust at Gibson Electric Membership Corporation.

Mi Box Setup Guide

Getting Started with Mi Box

Thank you for choosing Gibson Connect TV! This guide will help you to download and log into Gibson Connect TV using a Mi Box. Other platforms (like Android or Apple iOS) or devices (like smartphones, tablets and web browsers) may require a different process.

Before attempting to download Gibson Connect TV, you must first have an active and installed Gibson Connect internet service subscription. You can subscribe to Gibson Connect's TV service by contacting us at 731-562-6000 or by calling or visiting your local Gibson Electric Membership Corporation Member Service Center.

A Gibson Connect representative will provide or help you obtain your login name and password.

Gibson Connect TV login name: _____

Gibson Connect TV login password: _____

1. If you have not already done so, activate Mi Box on your television by following the instructions included with the device. The diagram below can help you with the Mi Box setup process.

1 Attach Mi Box to TV

2. Connect your Mi Box device and follow the on-screen instructions to pair the remote and Wi-Fi. Next, complete the given instructions on your television to download the app.

·3. Once on the home screen, choose the 'apps' button.

4. Once the "apps" button has been selected, choose 'get more apps' to open the Google Play Store.

5. The main menu of the Google Play Store will open. Highlight the magnifying glass icon to search for "Gibson Connect."

6. Click on the Gibson Connect icon in the Google Play Store, and select the 'install' button.
